To

K.R. Srinivasa Iyengar, Esq., M.A.,  
Secretary to the Government of His Highness  
the Maharaja of Mysore, General & Revenue  
Departments, B a n g a l o r e.

Sir,

I have the honor to acknowledge receipt of your letter No.Fl.999/B.6-13-2 dated 20th August 1913 and to state that I shall attend the Conference of Registrars to be held at Simla in October next, as directed therein. I request that the fact of my having been deputed to attend the Conference may be duly intimated to the Government of India through the Residency, as timely notice is necessary for making the requisite arrangements at the Conference.

2. For purposes of comparison of the general progress of the Co-operative movement in India, the Government of India have fixed the forms in which Statistical Tables of the Annual Reports on the working of the Co-operative Societies have to be furnished to the Registrars' Co-operative Conference. I have been submitting my report and the Statistics relating to the Co-operative Societies in Mysore in the forms fixed by them. At the last Conference of Registrars held at Simla certain changes in the form of statistics

statistics were suggested and were adopted by the Conference

3. The Government of India seem to have accepted the resolutions of the Conference and circularized all the local Governments to submit their statistical returns in the new forms sent with circular No.5 dated 20th February 1913, to which a reference is made in para 3 of Government of India Circular No.16-324-1 dated 21st July 1913 a copy of which has been sent to me with your letter under reply. As I have not received those forms, I request that the Government may kindly get them for me through the Residency.

4. The Government of India have from time to time been issuing Circulars to their local Governments on important matters relating to the Co-operative movement in India. I do not receive copies of these circulars and will not therefore be posted with up-to-date information as regards the policy and procedure relating to the progress of Co-operative Societies in British India. I therefore beg that the Government may request the Residency to forward for information copies of all the Government of India Circulars and important communications relating to the Co-operative movement.

I have the honor to be,

Sir,
